

Covid-19 Supply Chain Information

If you find yourself having to self isolate and are worried about supplies please don't be.

There is currently a system in place and working well to get your prescriptions to you if you use **Hoveton Medical Centre, Stalham Green Surgery or Stalham Staithe Surgery**, all you have to do is to inform the surgery where you live and that you are having to self isolate and could your prescriptions be delivered by the team currently working in your area.

Locally **The White Horse Stores** is working a personal shopper system were you give somebody a shopping list and they shop for you then the shop contacts you directly to take a card payment over the phone.

Jamie Thompson of Nelsons Catering is doing a delivery service for light lunches and microwavable meals his contact number is 07810 874603.

The **White Horse public house** is doing veg, meat boxes, frozen pies and takeaway drinks please check their web site for more information or call 01692 630828.

North Norfolk District Council have set up several community hubs to help wherever than can and have advised us on the following that I believe could be most useful.

Roy's of Wroxham are doing essentials food boxes for those in most need to access this service it would be best to contact the Operation Good Neighbour at Hoveton directly by email to Hoveton.LCC@north-norfolk.gov.uk (preferred) or call 07949 373985

Obviously the main supermarket chains are also doing deliveries for online purchases but I do understand obtaining a delivery slot is quite difficult at the moment.

There is also a system in place to collect veterinary supplies if they have been pre ordered.

**If you have any concerns or collection requests please contact myself
Glenn Neave 07885 706493 or Martin Mills 07501 622068.**
